Code of Behaviour

Policy Documents are available from the website

THERE ARE 5 FUNDAMENTAL SCHOOL VALUES:

BE CARING	BE THERE	BE TRUTHFUL	BE GRATEFUL	BE RESPECTFUL
-----------	----------	-------------	-------------	---------------

We should always live by these values. They represent a way of life, for weekdays and weekends, term and holiday time. A boy's conduct should always be courteous and governed by respect for the person, property and reputation of others.

Each student and a parent/guardian are required to sign a pupil contract at the start of the academic year. This contract confirms your commitment to the Code of Behaviour for 2024-2025.

General Regulations

- ♦ A pupil, or a pupil party to a group, who brings the College community into disrepute whilst identifiable as a member of the College, is subject to sanction. Sanctions such as detention, community service or suspension will be imposed for serious offences - proportionate to the offence committed.
- ♦ Further, the College authorities reserve the right to resign the charge of a pupil for persistent idleness, failure to act in support of our values or for any other reason judged by them to be in the interest of the common good.
- ♦ A pupil should not make contact with a staff member on social media at any time. To do so in any fashion would be deemed to be a serious breach of regulation.

**Each pupil is entitled to an education free from fear and intimidation.
Bullying is not tolerated in Blackrock College.**

Specific Regulations

- ♦ On regulation days, the pupils **must check-in twice daily before 8.30 am and 1.35 pm. Pupils are deemed late after these times. Check-in commences at 8.10 am.**
- ♦ 2nd and 3rd Year students may not leave the school grounds during the school day. **Breach of this regulation will incur external suspension.**
- ♦ Absence from class without permission or the display of an uncaring attitude towards any member of the school community, or towards its property, is unacceptable. **Breach of this regulation will incur external suspension.**
- ♦ The College is a mobile phone free zone during the school day. Students must keep their phone in their Yondr pouch for the duration of the school day. **The sanction for not having their phone in their Yondr pouch during the school day is confiscation of their phone for one week. Repeat offenders may be suspended.**
- ♦ Chewing gum is forbidden within the College. **Breach of this regulation will incur a sanction.**
- ♦ Smoking or vaping and use of all nicotine products is forbidden within the College grounds. Pupils may not smoke or vape or use nicotine products whilst engaged in a school activity or identifiable as a member of the school community. **Breach of this regulation will incur external suspension.**
- ♦ Possession of alcohol or illegal substances is prohibited while engaged in any school or school-related activity. **Failure to observe this regulation may lead to the College resigning the charge of a pupil.**

Out of Bounds

In the interest of Health & Hygiene, Propriety and Safety, areas in the College grounds and surrounding areas (listed on the College noticeboards) are Out of Bounds. It is the responsibility of each pupil to be aware of these areas which may be adjusted during the course of the school year. **Sanctions for breach include suspension.**

Detention

Detention may be imposed at the discretion of the Dean for unsatisfactory application, deportment, punctuality or behaviour. Saturday detention is held from **9.30 am - 10.30 am** and is an integral part of the College's disciplinary procedure. School uniform is required. **Failure to attend, without written explanation, will result in internal suspension.**

Absence from School

In the interests of the health and safety of the pupils, an e-mail or phone call to the Dean, early on the day of absence or an explanatory letter from the parent/guardian on the day of return is required.

The Education Welfare Act obliges the College to inform the relevant authority of cumulative absences in excess of **twenty days**, and reasons thereof, during the course of the school year.

Health

The school authorities should be given information on any medical issues, history or medication that a pupil takes on a regular basis. We strongly recommend that parents have appropriate medical cover in the event of injury or accident and also, that student vaccinations are up to date. Updates on a student's medical information should be emailed to nurse@blackrockcollege.com.

Transport

Pupils may not bring skateboards, electric scooters, motorcycles or cars into, or through, the College grounds. In the interest of safety, access to the Cross Avenue exit by motorists is not permitted between **8.00 am and 9.00 am**. Cyclists should wear helmets and reflective clothing at all times - during hours of darkness, lights and reflectors should be used. **Bikes must be locked when not in use. Unauthorised vehicles parked in the College grounds will be clamped. A release fee will apply. Suspension may apply.**

Assessment and Evaluation

There are two types of Report Card in use in the College:

1. **Weekly Application Cards** give an individual teacher's assessment of the **EFFORT** made by a pupil during that week.
2. **Progress Cards** are marked periodically throughout the year. The marks based on class tests/assessments indicate the **STANDARD** attained by a pupil in the subject matter covered in class in the preceding weeks.

We attach a great deal of importance to our Card system. Cards are returned to boys every Monday. Please make sure that you review them with your son. Failure to do so, on a weekly basis, forfeits the many opportunities that arise for affirmation of your son's efforts. It also diminishes opportunities to assist where a deterioration in work is evident and an immediate response is the priority.

Examinations and Communication

1. **There are In-house examinations at the end of the Christmas and Easter terms.** Marked scripts are returned to pupils. Reports are made available online for parents giving examination results and comments by the Dean of the year on a pupils punctuality, conduct, attitude and involvement in extra-curricular activities. In all years, adjustments may be made to classes based on these results.
2. **Summer Tests take place in 2nd and 5th Year.** A summer report will follow. The result will be based on both the test result and continuous assessment. **Portfolio Assessment Interviews** will take place at the end of Term 3 in Transition Year.
3. Throughout the academic year, all communication should be through the Dean. Deans are the first point of contact for discussing all aspects of a boy's education. Parents are afforded an opportunity to meet with subject teachers at Parent-Teacher meetings.

College Student Journal

The journal has been designed to help pupils organise and plan their year. It should be used by the boys to reflect on and manage their learning. To support this, content has been added to the journal which focuses on learning and study skills as well as wellbeing supports within the College. Homework, both oral and written assignments, given by the teacher in class during the course of the day should be recorded.

Each class period should have an entry.

Parents are asked to check the College Student Journal on a weekly basis.

Extra-Curricular Activities

Each pupil should be involved in some aspect of the College's extra-curricular programme - Sport, The Arts, Outreach etc. There is concern when a boy's involvement is exclusively attendance at class.

Night Study

A number of places are available for 3rd, 5th and 6th Year dayboys **with priority given to pupils involved in extra-curricular activities after school on a regular basis.** School uniform is required. Non-participation, indiscipline or irregular attendance may result in loss of place without refund. Absences should be communicated in advance to nightstudy@blackrockcollege.com.

Dress Code

Students

1. A high standard of dress must be maintained. **Boys may not be permitted to attend class if improperly attired.** Deans are the judges of acceptable standards of dress and deportment.
2. **Pupils must travel to and from school in full College uniform, including footwear.**
3. A pupil's haircut must be neat, tidy and conventional i.e. standard short, back and sides; minimum blade 2 into 3. **Hair must not sit below the top of the collar.** A pupil with hair that is over the eyes, bleached, dyed or contrary to that outlined will be considered improperly dressed for class or activities associated with the school. Hair accessories are not acceptable.
4. Pupils must be clean-shaven.
5. The wearing of jewellery, other than watches, whilst in school uniform or involved in school activities, is not permitted.
6. Except for games and Physical Education, the wearing of runners is not permitted during school hours unless excused on medical grounds supported by submission of a medical certificate.

Loss or Damage of Pupils' Property

It is essential that all pupils have their clothes and other property clearly labelled to facilitate identification. Pupils must be held responsible for the care and security of their own property. The College authorities do not accept responsibility for loss or damage of pupils' property, e.g. schoolbags, bicycles, electronic devices including the school managed device, mobile phones, sports equipment, musical instruments, clothes etc. Parents are advised that these items can be readily insured under the normal household policy. It is strongly recommended that each pupil avails of the locker rental facility. **Lockers must be locked at all times.** Padlocks are available for purchase at the Secretariat at a cost of €10.00.
