Congratulations to our 15 Second Year students who represented the College with pride and enthusiasm at SciFest in TU Dublin Grangegorman!

The students had a fantastic day showcasing their innovative projects and engaging confidently with judges, lecturers, and PhD students.

Students had the opportunity to attend a variety of science talks as well as participating in SwitchOnStem demonstrations and competitions.

Their hard work, curiosity, and teamwork were evident throughout the event, and we are incredibly proud of their dedication and achievements. A special congratulations to Maurice Neligan on achieving a TUD commendation for his project to investigate the effect of pH on enzyme activity.

Well done to all involved!

## Junior Science Quiz Team Shines at ISTA Eureka Quiz

On Wednesday, 7th May, our Junior Science Quiz team travelled to Belvedere College to compete in the ISTA Eureka Quiz. With 20 teams from across the Dublin area vying for the trophy, the competition was intense.

Representing our school were Dan Hayden, Ruairi Tran, and Garry Kingston. The team delivered an outstanding performance, narrowly missing out on first place by just one point to St. Benildus College. A sudden-death round was required to determine second place,

as three schools were tied. Blackrock College ultimately secured the runnerup spot.

Well done to Dan, Ruairi, and Garry for their excellent achievement and for representing our school with distinction!

#### Schools Open Day, Irish Defence Forces

The Irish Defence Forces held a public engagement event at Cathal Brugha Barracks in Rathmines last week, featuring interactive displays and equipment demonstrations highlighting their domestic and international roles.

#### **Guess the Book Library Competition**

The Library Committee came up with a very novel idea for this term's competition - zoom in to part of a book cover and get students to guess the book. About 45 students entered the competition and many have been seen standing outside the library with their friends collectively trying to guess which picture is in what book. The idea of these competitions is to promote reading for pleasure and get students talking about books. Congratulations to Arthur Glavin, 3<sup>rd</sup> Year who got all the answers correct and was the lucky winner of a €20 one4all voucher.

#### MAD Week and Summer Concert 2025

Mad Week ran from Tuesday 6<sup>th</sup> until Friday 9<sup>th</sup> May. The week celebrated the variety of musical, artistic and dramatic disciplines practised by people around the world, inspiring the Blackrock TY students by exposing them to these skills through several interactive workshops and experiences.

MAD Week kicked off on Tuesday morning when the entire year was split into two groups and took part in **dancing** and **drumming** workshops. TY students learned about finger tutting and pop dance styles with the instruction of Alan McGrath, as well as a variety of percussion instruments, such as shakers, djembe drums, shekeres and more with David Day from Jabba Jabba Jembe. In the afternoon, we were entertained and taught by the **magician**, ventriloquist, sword swallower and comedian, Jack Wise.

On the Wednesday of MAD Week, the TY Year had a trip to the **cinema** to watch the brand-new release, *Fran the Man*.

On Thursday, TY Year rotated in three groups between three amazing workshops, the first of which was **drama**. This workshop focused on honing acting skills and telling a story through body language and emotions. The next workshop was **Circus Skills** where students learned how to juggle, use diablos and even make animals and swords from balloons, all whilst enjoying the sun. Lastly, in an **Irish Culture** workshop, TYs learned about the origins of popular traditional music, how the songs are formed through music theory and how to sing some Irish songs, like Whiskey in the Jar in an Irish **Culture Workshop**.

That evening, the **Summer Concert** ran for 1.5 hours in the Jubilee Hall. TY Choir performed the first and final songs of the night '*Mamma Mia'* by ABBA and '*What I Did for Love'* by David Guetta.

MAD Week came to an end on Friday afternoon when the whole year took part in the **MAD Quiz** hosted in the TY Rec Area. The students' musical knowledge was put to the test throughout eight rounds of questions, ranging from the writers of songs to finishing lyrics and identifying the nationalities of various artists, while also enjoying pizza and the lively atmosphere.

A big thank you to Mr. Grumley Traynor for organising MAD Week.

## Sports & Family Day 2025

**T**here was a fantastic atmosphere around Blackrock College on Sunday, May 11<sup>th</sup> as students, staff and families gathered for our 165th Sports and Family Day. It's always a special occasion on the school calendar, and this year was no exception.

The day began with the national anthem and opening ceremony, followed by a packed schedule of events – everything from sprints and relays to spikeball, penalty shoot-outs and the ever-competitive tug-o-war. It was great to see such high levels of participation and team spirit throughout.

There was no shortage of encouragement from the sidelines, with classmates, parents and staff out in force. The atmosphere was relaxed, good-humoured and full of community spirit – a reflection of what the day is all about.

Two highlights of the afternoon were the presentation of the Sports Star of the Year Award to Sami Bishti, recognising his outstanding contribution to sport in the College, and the Past Pupil Sports Personality Award, which was awarded to James Power.

A huge thank you to everyone who helped bring the day together – particularly the students who took part so enthusiastically, and the staff who gave so generously of their time.

After a hard-fought contest across the events, Shanahan House emerged as the overall winners - well done to them and to all who competed.
